

Grace & Love

FCC Napa is a church with a 163-year legacy of living in God's grace and helping others experience God's love. With your partnership, we are praying to further expand the message of grace and love to our community.

132,000

LIVE WITHIN A 17-MILE RADIUS OF THE CHURCH
We live in an increasingly secularized culture where overall church attendance is in decline. With 5-IOK churches closing annually, new strategies and creative partnerships have become more successful options for integrating healthy and growing churches in local communities.

What IF...

- ...we set our smart phone alarm to 1:32 pm every day to remind us to pray for the 132,000 people in our valley to experience God's love?
- ...we considered the personal implications of Jesus' words to go and make disciples?
- ...we each trusted God with our time and dollars to generously give to the ministry?

Imagine what type of miracles God might do among us and how many lives might be impacted by His grace!
